

MIND WARS

Extraordinary Together

1 April 2020

Dear Principal,

During these extraordinarily testing times, whilst we battle against the Co-Vid 19 virus through extensive social distancing, it is also important to continue our effort to make India smarter.

The Mind Wars knowledge platform, which helps schools and teachers to test their students, through participation in fun quizzes, is available free on the Zee5 App. Registration is easy, and there are no hidden charges. We would urge you to ask parents to register their children on this mobile phone app by simply giving a missed call to 1800123 224488 and following the instructions. Subsequently students can then access Mind Wars on the net also (on a desktop, laptop, tablet).

Once registered students will have access to thousands of quizzes prepared by a team of India's brightest content writers, on their school curriculum (arranged chapter wise), general knowledge (across a 100 categories) and Current Affairs (daily and weekly).

The Mind Wars TV Show – hosted by noted actor Shreyas Talpade – is being telecast each Sunday at 10 AM on Zee TV. It is also available for viewing on the Zee5 App. The best way to enjoy the show is to watch it on TV and simultaneously log onto Zee5 and play along! You get to answer the questions answered by the TV Show contestants and win prizes as well!

Students who were not selected for the first set of TV Episodes have no reason to be disheartened. They are all eligible for the next schedule of shooting, and we would urge students to practise and participate in the two Online Qualifiers on the Mind Wars platform.

Do see the rest of this newsletter for other interesting facts about the programme! We look forward to your students participating and excelling in Mind Wars!
